General contractor for Lochkov Lofts

■ **CZECH REPUBLIC** Euro Ventures and Itaka have chosen a general contractor for the Lochkov Lofts project in Prague. Joint-stock company Unistav has been awarded the contract, under which the work on the project is to start immediately. The project entails the renovation of three original buildings with 59 apartments, to be followed by a new building with 14 residential units. The entire project will be completed in 2011.
